

**Building portable field clinics.  
Restoring lives. Strengthening communities.**

RAHMA.clinic delivers trauma-informed, community acupuncture and integrative care to communities affected by displacement, violence, and crisis.

## OUR FUNDRAISING PHASES

### PHASE 1 MOBILE FIELD CLINIC KIT

Goal: \$12,000

Building a portable field clinic infrastructure to deliver up to 10,000 treatments.

14%

\$1,700 raised

0%

\$0 raised

### PHASE 3 HUMANITARIAN DEPLOYMENT & COMMUNITY TRAINING

Future phases will support humanitarian deployments and training of local practitioners to sustain care.

0%

\$0 raised

## WHY IT MATTERS

**Trauma is widespread.**  
Communities need accessible, scalable, and compassionate care.

**We meet people where they are.**  
Portable clinics bring healing to the places that need it most.

**Care today. Capacity tomorrow.**  
We provide relief now while building long-term local capacity.

“Healing is not a luxury.  
It is a lifeline.”

## A SAFE SPACE FOR CHILDREN

We envision a separate child-centered space led by art therapists and music therapists where children can engage in creative, therapeutic activities while their parents receive care and moments of rest.

## YOUR SUPPORT BUILDS

Mobile clinic infrastructure & treatment capacity

Legal foundation & organizational setup

Community training & local empowerment

Hope, healing, and a brighter future

Every contribution brings healing within reach.

## BE PART OF THE HEALING

Your support helps bring care, dignity, and hope to communities that need it most.
